**Statement Regarding Sequence Listing**

Dear Sir:

Applicants hereby confirm that the content of the amino acid sequence listing information provided herewith does not include new matter and does not go beyond the original disclosure in the information application, as filed; and further state that the sequence listing information recorded and provided in computer readable form is identical to the written sequence listing.

The Examiner is invited to contact the undersigned if it is believed that additional sequences should be listed, or if there remains any other issue relating to the present submission and statement.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Rodney D. DeKruif", with a stylized flourish at the end.
